RE: January 2014 Monthly Report

During the month of January, the West Lafayette Police Department received **2,536 calls for service**, an increase of 653 calls (35%) from December 2013, and an increase of 641 calls (34%) from January 2013. A significant increase in weather related calls kept Officers and NRT personnel much busier than usual for this time of year.

On January 21st, WLPD Officers responded with PUPD Officers to a shooting at the Electrical Engineering building on the Purdue campus. WLPD Ofc. Kevin Coomey took the shooting suspect into custody upon his arrival at the scene. Twenty-three WLPD Officers assisted with the shooting scene and subsequent investigation and six WLPD civilian personnel assisted in some capacity. The WLPD continues to assist in the ongoing investigation and will continue to provide assistance throughout the murder prosecution of the shooting suspect.

On January 29th, Officers responded to a shots fired call at Parkway Apartments on Happy Hollow Rd. Through investigation, Detectives determined that two shots were fired at a vehicle in the parking lot of the complex. One resident of the complex was arrested on charges of Criminal Recklessness, Dealing Marijuana, and Possession of Marijuana. Investigation into this incident is ongoing.

When school resumed from holiday break in January, Ofc. Janet Winslow began her new assignment as the full-time school resource officer at the West Lafayette Community School Corp. Ofc. Winslow has duties at all three school campuses but will spend most of her time at Cumberland and Happy Hollow Schools.

Respectfully submitted,

Jason Dombkowski
Chief of Police
